

## UNIVERSITY OF SOUTH FLORIDA Marshall Student Center, Food Court

This project was a large renovation for Aramark in the University of South Florida's Marshall Student Center. ENCOTECH was tasked with taking existing restaurant spaces and transforming them to meet increasing demand for variety and food options for the vibrant and active student community of University of South Florida. The scope of work included remodeling the existing Food Court consisting of five spaces, including Papa John's Pizza, Subway, Panda Express, Moe's Southwest Grill and a new convenience market, 813 Eats. ENCOTECH's scope included all new electrical, HVAC, walls, lighting, plumbing, food service equipment and finishes, including a combination of polished concrete floors, floor and wall tile, ceilings, wall finishes and new front service counters for each brand.
